

Almafi™ Spa in Sapphire Blue

The soothing properties of hot springs have been enjoyed by many throughout the centuries. Indulge yourself in a warm water massage at the end of a long day and join other spa owners who experience reduced stress and a better, easier night sleep.

Designed to be installed in accompaniment with swimming pools or as a stand-alone feature, the all new Almafi™ Spa from Leisure Pools® is a modern take on the classic square spa. At 7' long and 7' wide, the minimalistic design of the Almafi™ Spa offers owners the freedom to fully customize jet placement all around the spa. A spacious 17" wide bench wraps around the 39" by 28", 16" deep foot well, providing ample seating capacity for entertaining guests.
